

International Academy for
Intercultural Research

**Biennial Conference
of the
International Academy for Intercultural Research
Philadelphia, PA
July 23 to 27, 2023**

Theme for the 2023 conference:

Intercultural. Climate. Change.

We hope you will consider how your work contributes to conversations about changing intercultural climates, the effects of climate change on intercultural relations and relationships, and how intercultural relationships, identities, communication, research, practice, and so on are changing in this time of changing social and political climates around the globe. We also welcome papers and symposia proposals on all intercultural topics.

Begin planning now to submit symposia proposals and papers to the 2023 IAIR conference in Philadelphia, and please share this information with your colleagues and students. Here are the upcoming deadlines:

November 15, 2022: First Call for Proposals (Symposia submissions are especially encouraged during this first round)

December 15, 2022: Second Call for Symposia, Paper, and Poster Submissions

February 1, 2023: Final Call for Symposia, Papers and Poster Submissions

Submissions: Submit proposals or papers at any time on the conference portal:
